## Existing zombie games

1993 – Doom series.

FPS game in which a space marine battles hordes of undead and demons for survival. One of the pioneering FPS series in video game industry.

2008 – Left 4 Dead series.

FPS, 4 survivors must fight off zombies while trying to escape or make way to safe house.

1996 – Resident Evil series.

Survival horror video game, 3<sup>rd</sup> person action game with character controls similar to a FPS.

1992 – Alone in the Dark

First ever survival horror game. Heavily influenced by works of H.P. Lovecraft. Gameplay is focused on puzzles rather than combat.

2006 – Dead Rising

Action-adventure, survival horror game heavily influenced by movies by George R. Romero such as *Dawn of the Dead*. A more comical approach to zombies than Resident Evil type games.

2008 – Dead Space

Survival horror 3<sup>rd</sup> person shooter game. A player battles humans turned monsters, Necromorphs, on board an infected mining ship.
