Toaster Wars: 1-C Intergalactic Communication

The robot is now working! It seems to be broadcasting some sort of a signal back to its ship.

1. <inside avator's bedroom>
   <robot is now working!>

2. <the robot jumps done from the desk on its own>

3. <happy to be fixed the robot moves around the room>

4. <robot stops abruptly>
   <light flashes on top of it head>

5. <avator comes over to see what is going on with the robot>

6. <robot interface comes up and it appears to be having problems with its communica-
   cation system> <fix the communica-
   tion system>
