Pots and pans falling and crashing noise comes from behind the door.

RANDI

Randi peeks head out from window and then opens door all the way while making an excited gasp.

RANDI
Hi! I'm Randi, you must be here for
your pillow!

Randi runs off on all 4s stage left and returns from stage left holding scroll in mouth and stands up to reveal check list. List reads: fun, happy, and love.

approval.

Randy drops the list

RANDI
Ok! Well I always think of acorns
to make me happy! What else do you
think makes me happy? Press the
glowing heart button and think of
something that will make me smile!

Child presses button to have orange sparkles for 5 seconds.
Randi gradually giggles.

RANDI
hehe, yea that totally made me
happy! Randi approved!

Randy picks up list and stamps next to happy. Randi turns
list to face self.

RANDI
Alright, what's next...

RANDI
"oh! Love! Alright, how about you
hug someone you love a whole lot!"

Randi runs off screen stage right and comes back with a
pillow in mouth and stands to hug pillow for 7 seconds then
runs off stage right and comes back without anything.

RANDI
awww! That definitely gets a Randi
stamp.

Randi picks up list and stamps love. Randi turns list to
face self.

RANDI

Wow! It looks like you completed the whole list! You're ready to get the pillow made just for you! But just to be sure, you're going to have to find it. Hehe, I've hidden it! But I'll give you a hint: it's close.

Randi looks to stage left at the acorns

RANDI

Hehe, check everywhere! It could be anywhere, like even behind your ear!

Randi looks around

RANDI

Check the acorns! You never know what you can find in an acorn!

Randi looks around
