

- background can be whatever, but we're going children's room.

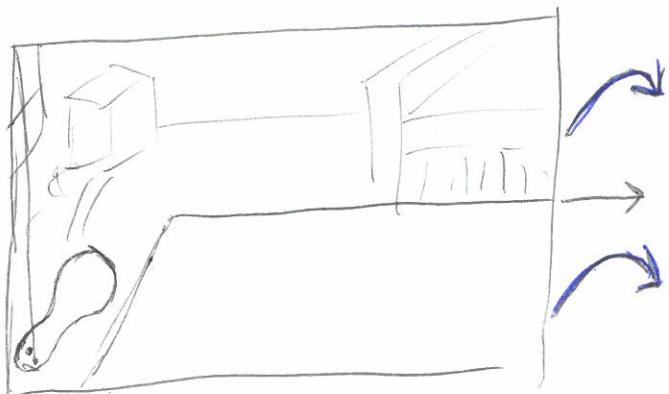

Bernie the Bowling Pin didn't fit in.

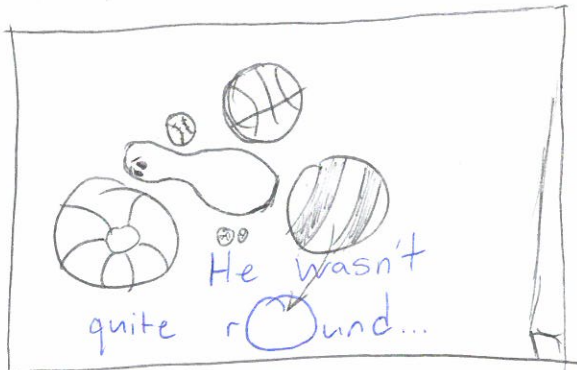

- dialogue appears on tap
- can drag Bernie around (he is slightly apprehensive)

- when he is dragged past certain point on table, falling animation plays

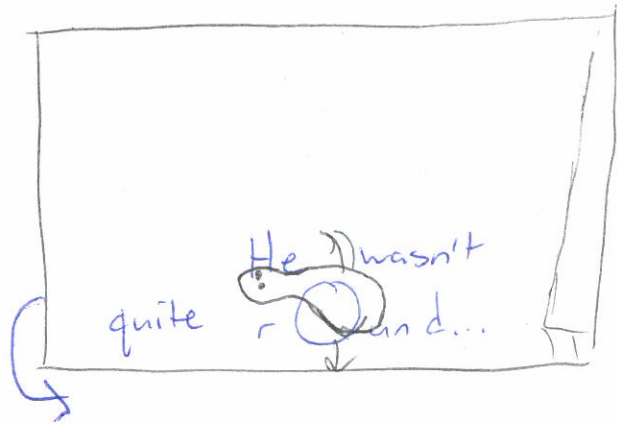

- falls out of shot, then camera follows to show him on floor

He wasn't quite round.

- text is on the carpet
- "O" in round is a hole, can drag balls into it

- Bernie can't fit through hole; roll down to next scene
- camera will flip around
