

2

He wasn't quite thin.

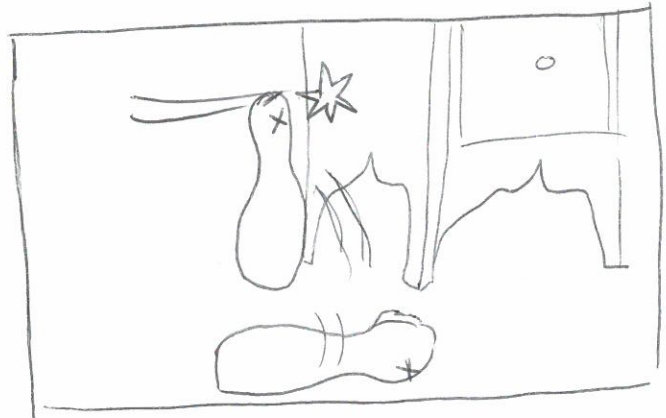

- Bernie flips himself back up
- Can try to drag him into empty space in bookshelf (not thin enough)
- tap "THIN" letter blocks, they have a squeazy animation?

His head was too small.

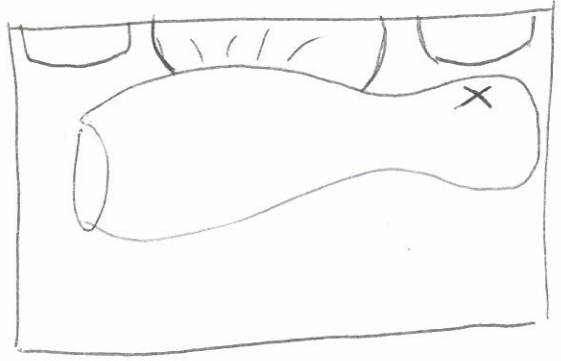

- Bernie can try hats (drag them on his head)
  - ↳ they all fall on him and are too big
- swipe right to next scene?

His neck was too long

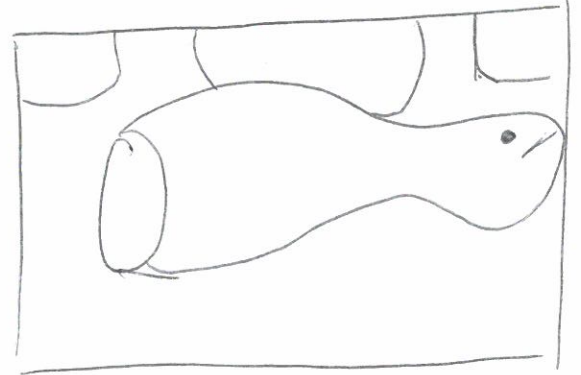

- Bernie can't fit under the drawer w/ other stuffed toys (drag interaction)

- swiping makes him bonk his head into dresser; dazed, he rolls off screen

- Camera cuts, Bernie rolls forward, and knocks against something

- eyes appear, Bernie looks up, scared
- can be Bernie's big strike?
