Bernie's big strike?
He had no stripes
at all.

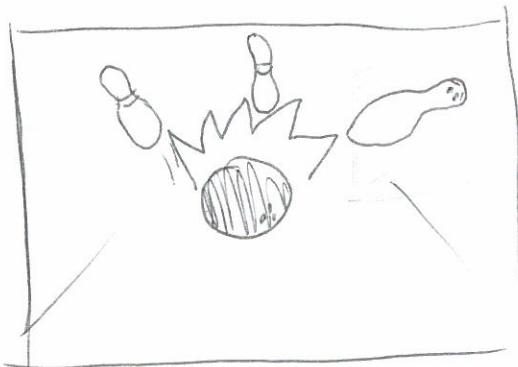

- camera pans up to other bowling pins
- ↳ they all have stripes
- bully faces!

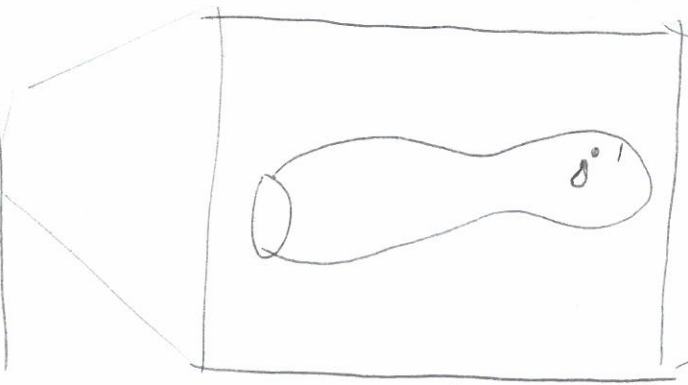

- hands come up and pick up pins
- ↳ not sure what this is triggered by (tapping something?)

- bowling ball rolls towards them after pin setup
- not sure if there is an interaction? (might just be quick animation)

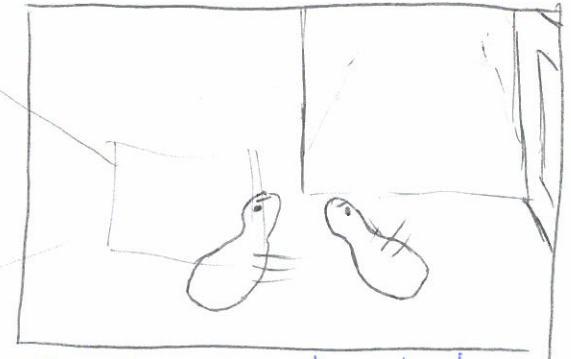

- ball hit!
- Bernie flips off and rolls off a bit

Everyone cheered when they knocked Bernie down.

- Zoom on Bernie
- ↳ sad... "
- tap on Bernie zooms out, facial change

So Bernie decided to roll out of town.

- guest drags/swipes to roll Bernie out of the child's room
