

# Skyline Newsletter - Week9

SCENE	<b>1</b>	NOTES: Helios adjusts his bracers, readying himself for his duty ahead
FRAME		

## What we have done:

- Prepared for halves
- Practiced for halves
- Created more frames for the animatic

## Problems we encountered:

- Our iteration cycle is too slow, there needs to be a faster way to do this
- Convey our slides without memorizing
- Need to know the material for presentations

## The goal for the next week:

- Continue Previz
- Continue with a the animatic
- Process grades
